Location: Hamburg and Kiel

You can choose to book the course in Hamburg or Kiel. Hamburg is the second biggest city in Germany and Kiel is more familial. What you choose is up to you and we can highly recommend both.

Hamburg is famous for the quality of life in a waterside Metropolis. It is also called the “gate to the world”. The city is the second biggest in Germany and has a lot to offer: impressive sights, a harbour mood, a multicultural atmosphere, an exciting history, interesting stories and so much more. Beside this, Hamburg is also a very green city at the water and therefore one of the most beautiful cities in Germany. Even the usually reticent citizens of the Hanseatic city have difficulty hiding their pride in their city.

Kiel has a long shipbuilding and naval tradition but today it is characterized by its vibrant student scene, laid-back lifestyle and urban flair. You can sense this atmosphere from the city’s beautiful setting at the Kiel Fjord, its modern and spacious city center and Dänische Straße, a street of late-19th century buildings full of maritime charm in the heart of Kiel.

TestDaF**

What is TestDaF?

TestDaF is a German language test for foreign students who plan to study in Germany or who require recognized certification of their language skills.

How much time do I need to pass the TestDaF?

It all depends on your level of German. After our written and oral entry tests, we will tell you which level you are at. For each level you need about 6 weeks. After each level you will take a test. If you are a beginner you need about 9-12 months. It is possible to manage all levels in 9 months, but it is more convenient if you plan in more time. We also strongly recommend the 12 months course for beginners, because you need time to explore Germany, to apply for a seat at a University and to make friends.
