

## APPLICATION SERVICE

**Become a part of Germany – apply and study with success!**

**Guidance, Preparation and Support**

*So you are interested in applying to a German university, but need support with your preparations?*

We can help find the right university and course for you and guide you through the necessary administrative steps such as dealing and registering with the various authorities, arranging your insurance, as well as applying to and enrolling at your chosen university. Additionally, we offer a range of intercultural seminars and courses to get you ready for everyday life in Germany. And the most important fact? We are here to help you! If you have any question, there is a telephone number you can call. We are your partner in Germany for everything concerning your education and success!

### **Our service:**

- Check of documents (uni-assist or others)
- Consultation how and where to study
- Preparation of application (it's necessary that the students is active involved in the application process)
- Support with all registration and administration
- Preparation of all necessary entrance exams
- If necessary we help you to plan your trips to different universities and entrance exams
- Course or Coaching about German culture and German culture of science (how to write a paper, how to study, how to work in a German team, how to integrate)
- Assistance for finding a flat
- a telephone number, you can talk to

The program ends after the first semester of studying. This gives us the possibility to help you during your first semester, what mostly is the most difficult one.

Duration: up to 18 month/ Price 1650,- Euros
